

### **Persoonlijke Gegevens**

Naam: Eno Lavrysen  
E-mail: info@drlavrysen.be

### **Vooropleiding**

1997 – 2003 Sint-Gabriëlcollege Boechout / Koninklijk Atheneum Berchem – Latin, Sciences, Mathematics  
2004 – 2005 Bedrijfsbeheer – Centrale Examencommissie van de Vlaamse Overheid – Brussel  
2005 – 2012 Master of Science in Medicine (MD): Grote onderscheiding – Universiteit Antwerpen (UA)  
2011 Interne en urgente geneeskunde, intensieve zorgen – KEM Hospital, Mumbai, India

### **Opleiding Neurochirurgie**

2012 – 2013 Algemene Heelkunde, ZNA Jan Palfijn, Merksem (stagemeester: dr. M. Janssens)  
2013 – 2016 Dienst Neurochirurgie, UZA (stagemeester: prof. dr. T. Menovsky)  
2016 – 2017 Dienst Neurochirurgie, UZ Gent (stagemeester: prof. dr. D. Van Roost)  
2017 – 2019 Dienst Neurochirurgie, ZNA Middelheim, Antwerpen (stagemeester: dr. G. Dua)

**Erkend als neurochirurg:** 31 juli 2019. RIZIV-nummer: 1-49792-73-170

### **Neurochirurgische ervaring**

2019 – heden Stafid Neurochirurgie AZ Rivierenland, Bornem/Willebroek  
2019 – heden Consulent Neurochirurgie Vitaz, Sint-Niklaas  
2020 – heden Consulent Neurochirurgie UZA, Edegem  
2023 – heden Diensthooft Neurochirurgie AZ Zeno, Knokke

### **Ervaring spoedgeneeskunde/traumatologie/neurotraumatologie**

2012 – heden Wachtdiensten Neurochirurgie/Neurotraumatologie/Neurointensieve zorgen  
2020 – 2022 Algemene Spoedarts AZ Rivierenland Bornem

### **Bijzondere interesses en subspecialisaties:**

Complexe en minimaal invasieve/endoscopische spinale chirurgie – Tumorchirurgie – Neurotrauma – Perifere zenuwchirurgie

### **Onderzoek**

2008 – 2014 Individualized targeted management in neurocritical care.  
UZA. Promotoren: prof. dr. P. Jorens, prof. dr. P. Parizel, prof. dr. A. Maas  
2014 – 2018 Operative nuances of burr hole surgery for moyamoya disease.  
dr. E. Lavrysen, prof. dr. T. Menovsky

### **Publicaties**

2019 How I Do It: Operative nuances of burr hole surgery for moyamoya disease and -syndrome.  
Acta Neurochir (Wien). 2019 Jan;161(1):171-175. Epub 2018 Nov 24.  
dr. E. Lavrysen (first author), prof. dr. T. Menovsky.  
2021 Polyvinyl Alcohol Sponges to Facilitate Cerebral Bypass Surgery: Technical Note.  
World Neurosurg. 2021 Sep 8;156:53-55.  
dr. B. Verbraeken, dr. E. Lavrysen, dr. R. Aboukais, prof. dr. T. Menovsky.

## CURRICULUM VITAE – DR. ENO LAVRYSEN (2)

### **Ervaring in lesgeven**

2008 – 2012	Student docent anatomie en praktische vaardigheden, UA
2010 – 2012	Tutor (middelbaar en hoger onderwijs): (bio)chemie, fysica, biologie en wiskunde
2017 – 2018	VAMOS-cursussen (neurochirurgie voor verpleegkundigen en paramedisch personeel), ZNA
2012 – heden	Opleiding stagiaires geneeskunde en assistenten neurochirurgie, UZA/AZ Rivierenland

### **Talen:**

Nederlands: moedertaal – Engels: professionele vaardigheid – Frans: beperkte vaardigheid – Duits: basisvaardigheid

**Hobby's:** Drummen, Krav Maga, schilderen, reizen

### **Vrijwilligerswerk:**

2019 – heden	Service Club Member, Infinité vzw
2008 – 2010	Eerste Hulp, Ambuce Rescue Team
2000 – 2004	Vrijwilliger, Sfinks vzw

### **Certificaten microchirurgie**

- Microvascular Anastomosis and Microsurgery; Hands-on workshop prof. dr. T. Menovsky / prof. dr. Heber Ferraz-Leite (UZA / Medical University of Vienna) (2013)
- Microvascular Anastomosis: Microvascular and Peripheral Nerve Surgery Course. Bahçeşehir Üniversitesi, Istanbul (2018)

### **Cursussen/certificaten spinale chirurgie**

- BNSS 3rd Cadaver Workshop: Instrumentation of the Thoracic Spine (CHU Liège, 2014)
- BNSS 4th Cadaver Workshop: Instrumentation of the Lumbar Spine (CHU Liège, 2015)
- BNSS 5th Cadaver Workshop: Instrumentation of the Cervical spine (CHU Liège, 2016)
- Spine Cadaver Workshop, KU Leuven (2015)
- AOSpine Course, Davos, Switzerland (2016)
- Lateral Access Surgery (XLIF) Course, Amsterdam (2018)
- Degenerative Fundamental Course: Open lumbar and anterior cervical approaches, Düsseldorf (2018)
- Eurospine Diploma (2018)
- Principle Sagittal Balance Course, Brussels (4-5 March 2020)
- Full-endoscopic Surgery of the Lumbar Spine Intensive Training Course, Knittlingen Germany (2020)
- Full-endoscopic Surgery of the Lumbar Spine, Karlsruhe Germany (2023)

### **Cursussen/certificaten oncologische neurochirurgie**

- Observership Oncological Neurosurgery – Düsseldorf University Hospital – prof. M. Sabel (2019)
- Certification for Fluorescence-guided Resection using Gliolan, UMC Utrecht (2018)
- Neuro Cranial Neurosurgery Instructional Course, Hamburg (2016)
- Neuro Glioma Course – Optimized Resection of Infiltrating Brain Tumors, Strasbourg (2021)

**Cursussen/certificaten: echografische toepassingen in de neurochirurgie**

- Transcranial Ultrasound/Doppler – measuring CBF/vasospasm detection – Radboudumc, Department of Neurology, Nijmegen (2012)
- 2<sup>nd</sup> Ultrasound in Neurosurgery Training Course – University Hospitals Birmingham (2019)  
Invited as faculty for the 3<sup>rd</sup> Ultrasound in Neurosurgery Training Course (University Hospitals Birmingham) – teaching TCD/Doppler (2020)

**Andere cursussen/certificaten**

- DBS Fundamental Course, Düsseldorf (2018)
- Advanced Life Support (2019)

**EANS European Training Courses**

- EANS European Training Course – Spine and Peripheral Nerves, Edinburgh (2018)
- EANS European Training Course – Vascular Neurosurgery, Jerusalem (2019)
- EANS European Training Course – Neuro-oncology, Sarajevo (2020)

**Presentaties**

- Burr Hole Surgery for Treatment of Moyamoya Disease: an overview of the best surgical techniques. 46th Annual Congress of the Belgian Society of Paediatrics (2018)
- Overview Up-to-date Techniques of Current cSDH Treatment. LOK-symposium Neurochirurgie Oost-Vlaanderen, België (2018)
- Neurocysticercosis. Eno Lavrysen. Annual Scientific Meeting of the Belgian Society of Neurosurgery (2014)
- Management of Simultaneous TBI and Aortic Injury: case report of an 18-year-old male after high velocity impact. Eno Lavrysen, Annual Scientific Meeting of the Belgian Society of Neurosurgery (2014)

**Symposia**

- 10th International Neurotrauma Symposium” (INTS), 27-30 april 2011, Shanghai  
15/12/2012 “Complications in Lumbar Spine Surgery”. XIXth Brussels International Spine Symposium.
- 29/11/2013: BANO Meeting: “Molecular Genetics in Neuro-Oncological Decision Making”, Brussel
- Travel award: 10th International Neurotrauma Symposium, awarded by the INTS (International Neurotrauma Society), 2011, Shanghai for research in neurotraumatology.
